PRODUCT

Our Seltzer and Sparkling Waters are made with the purest water and have more effervescence than most any other carbonated water on the market. Our Sparkling Waters have just the right hint of natural flavoring for a delightful taste experience. They come in three popular flavors—Lemon Lime, Wild Cherry and Tangerine Orange—that are sure to please any taste.

You'll be glad to know that because we use a state-of-the-art purification process and strict quality control procedures, our Original Seltzer and Naturally-Flavored Sparkling

## SELTZER AND NATURALLY-FLAVORED SPARKLING WATERS, NO CALORIES, NO ARTIFICIAL SWEETENERS, SODIUM FREE AND CERTIFIED KOSHER

Waters meet the highest standards of quality and purity, making Syfo one of the purest beverages on the planet. Your customers can enjoy a refreshing and healthful beverage without calories, sugar, sodium, artificial sweeteners or preservatives.

When you combine attractive packaging with the superior quality and affordability of this beverage, you have a product that will grab the customer's attention and attract health conscious consumers everywhere. For ordering information, see the chart above or call 1.888.426.SYFO to find out more.
